## | Vision |

- To make “Training & Placement Department” the most preferred destination for the Recruiting Companies.

## | Mission |

- To prepare the students, “Industry Ready” through appropriate and adequate Training.
- To make the students aware about the Corporate culture by organising seminars by Industry Experts, arranging “On Hand” Training at Industry Premises and pre- placement talks by the Recruiting Companies during Campus Recruitment Drives.
- To build a strong Alumni Base.

## From the Desk of Principal

Presently Diploma Engineering Education is changing continuously with the changes in global demand. To accord with these changes, Technique Polytechnic Institute completed 16 years of its journey in Technical Education. We are all very proud that now four courses of this institute have again been accredited by the NBA up to 30.06.2026. We are very pleased to announce that in 2014 we were the first Polytechnic in West Bengal whose program was NBA accredited and in 2017 we were the first institute in the Eastern Region whose all programs were NBA accredited.

Modern 'Teaching Aids' (audio and video), Smart classrooms, and modern laboratories duly equipped with state-of-the-art equipment and facilities have been set up to ensure an effective learning-teaching environment. Our campus is Wi-Fi enabled. Implementation of ICT (Information Communication Technology) Laboratory provides digital access to students and teachers for improved academic performance. It exposes the students to learning the subject/lab using the Internet /Self-learning practice tools. We have an excellent library equipped with the latest books and journals. Additionally, we have a seminar hall and well-equipped conference hall for conducting conferences, workshops, important events, and invited lectures by eminent persons from industries and academia (including Alumni meetings).

The project works and industrial training of our students have been decided to enhance their placement prospects. Career Development Training (CDT) classes are conducted to improve the skill sets of students to enable them to be competitive. We extend personal care to all students throughout their studies with us through the well-designed mentoring process. Our institute is wide, and full of greenery yonder from industrial noise/fumes and environmentally spanking-new for pursuing work and sports activities. We have hostel facilities for boys only. Anti-Ragging measures/initiatives are put in place well surpassing the prelude of the session to ensure that freshers move in campus freely and confidently. In addition, the Anti-Ragging squad has been continuously visiting critical places frequently and carrying out surprise checks on vulnerable places such as campus corridors, hostel, common rooms, and cafeterias.

Every year brush-up programme, induction programme and bridge programme have been organized for 1st year and 2nd year (lateral entry) students respectively before the commencement of their full-fledged classes, which increases interest and enthusiasm regarding technical education among the students. We insist that students conduct practical sessions themselves under the strict supervision of faculty members. The students are encouraged to participate in both academic and cultural events like quizzes, essay writing competitions, college fest (Abahoni), etc. Industrial visits are arranged for the students in different industries, construction sites, and substations. Eminent experts are invited from both industry and academia for interaction with the students on the latest developments and trends. We are committed to getting our students to face confidently, the challenges of the future posed by the world in terms of technological, social and economic changes. Our Vision is to make our institute a centre of excellence through high-quality learning-teaching and other academic activities.

**Sri Avijit Karmakar**  
Principal

# Introduction

## OVERVIEW

Technique Polytechnic Institute is approved by AICTE and affiliated to WBSCTVESD.

At present four programmes of this Institute are accredited by National Board of Accreditation till 30.06.2026.

(The First and only Polytechnic Institute in West Bengal which had achieved NBA Accreditation for all its' Regular Programmes for the session 01/07/2017 to 30/06/2020).

High quality education added with various Training scheme, the Institute has become a preferred destination for large number of companies. Each student gets best theoretical education, Practical Training in reputed organisation and skill training by experts.

The Institute encourages the students in co curricular activities which help them to develop soft skill and all round personality

## The Academic Rigour

- ✓ **DISCIPLINE** : Zero tolerance on RAGGING. Timely attendance in class is regularly monitored.
- ✓ **PROJECTS** : Students undertake various projects under the guidance of faculty members solving real life problems.
- ✓ **R&D** : Students, under the guidance of faculty members, regularly publish papers & Journal.
- ✓ **INTERNSHIP** : Students undergo hands on Training in Various Industries, In house Career Development Training by external experts.

### Facilities at T&P Cell

- ✓ Class rooms for training
- ✓ Free Wi - Fi connectivity
- ✓ Conference Room for GD sessions
- ✓ Audio Visual Pedagogy
- ✓ Video Conferencing
- ✓ Guest House for Trainers, Recruiters

# About Training & Placement Department

2

## **BEST PRACTICES**

Pre-placement Training to enhance the Aptitude, Soft Skills and Technical Skills for Diploma students.

## **CAREER DEVELOPMENT TRAINING**

A unique training program is conducted in audio visual mode. Logical Reasoning, Quantitative Aptitude, English Communication are taught by experts. Mock Interviews, Mock GDs are taken to ensure students success in the long run.

## **JELET TUTORIALS**

Conducts free of cost JELET coaching classes for the students willing to go for higher studies. Internal & External experts conduct classes to enhance the skill required for obtaining high ranks in JELET examination.

## **INDUSTRY INSTITUTE INTERACTION CELL (IIIC)**

### **OBJECTIVES**

The objective of the IIIC is to reduce the gap between Industry expectations and academic offerings by direct involvement of Industry to attain a mutually beneficial relationship. All the Stake Holders, namely Institution, Industry, Students, & Society stand to gain as it can be a win partnership.

- ✓ Arranging Short Term Industrial Training / Internship/ Industrial visit for students & faculty members.
- ✓ Identifying the opportunities for students project work in Industry/ Internship.
- ✓ Seminars and Workshops by Industry experts.
- ✓ Implementing the measures on skill gap analysis & relevant training.

TPO's constantly visit various Industries and meet H.R. personnel and project managers, to study the Industry Academia gap and suggests the respective academic department to include more Industry relevant topics. The goal of Training & Placement is to provide relevant training and thus prepare the students to face Campus Recruitment opportunities.

The purpose of IIC is to enhance the relationship between the Institute and the Industry. This Cell identifies the industrial expectation and promotes Institutional preparation to meet Industrial needs. The IIC reflects in equipping faculty to the latest practices and makes the students Industry ready by providing exposure to current Industry practices.

### **INTERNSHIP**

Internship for 2/4 weeks provided to the students twice in a year .

### **JOB RELEVANT INTERNSHIP PROVIDERS**

PWD Social Sector, Public Health Engineering Directorate (PHED), Irrigation & Waterways Directorate, Chanda Construction & Consultancy, Indian Cyber Security Solutions, Development Power System and Solutions, Durgapur Project Limited ( DPL), Eastern Railway -Multidisciplinary Training Centre in Liluah, Steel Equipment & Construction Pvt. Ltd at MCKV Institute of Engineering, Bakreshwar Thermal Power Station (WBPDCL), Braithwaite & Co Ltd, PRASAR BHARATI, Doordarshan Kendra Kolkata, Calcutta State Transport Corporation (CSTC), National Test House, Survey Instruments Traders, Topstack, Coding Ninjas, Neat Work ( Govt. Licensed Electrical Contractor ), IPDA Centre Bandel, National Small Industries Corporation (NSIC), Howrah,

### **HR LIAISON**

Constant visits to the prospective recruiters nationwide throughout the year and liaising with the HR managers are maintained.

### **BACK OFFICE**

Prepares Industry database & facilitates students for submission of database via On Line Database Management System.

Students Placed at ROYAL ENFIELD

## ONE DAY INDUSTRIAL VISIT FOR FINAL YEAR STUDENTS

Final year students of diploma in **Mechanical Engineering** (2024 pass out batch) visited at **Uma Poly Solutions Pvt. Ltd.**, Jalan Complex, Howrah - for an one day Industrial Visit. (This Company is associated with us as recruiter)

Final year students of diploma in **Electrical Engineering** (2024 pass out batch) visited at **Calcutta State Transport Corporation (CSTC)**, Salt Lake, Kolkata - for an one day Industrial Visit. (This Company is associated with us as training provider)

Final year students of diploma in **Civil Engineering** (2024 pass out batch) visited at **Technique Un-Employed Engg. Co-operative Society Ltd.**, Bandel, Hooghly - for an one day Industrial Visit. (This Company is associated with us as recruiter)

## MOU WITH INDUSTRY (MEMORANDUM OF UNDERSTANDING)

### MoU signed with

- 1> **ZTTC (NSCBTTC)**, Bharat Sanchar Nigam Ltd. (BSNL). Kalyani, Nadia
- 2> **Effluent Water Treatment Pvt. Ltd.**, Kolkata

## FACULTY TRAINING

Two of our faculty members from Electrical Engineering Dept. visited Calcutta State Transport Corporation (CSTC), Salt Lake, Kolkata for an one day visit

DEE-RC	AutoCAD 2D & 3D	31

Students Internship at CSTC, Rail Vikas Nigam Ltd  
& Bakreswar Thermal Power Plant

# Entrepreneurship Development Cell (EDC) Activities in the session 2023-24

7

## □ Celebration of National Entrepreneurship day.

A seminar organized by Entrepreneurship Development Cell (EDC) in collaboration with Institute Innovation Council (IIC) for 2024 pass out batch.

Topic : Entrepreneurship and Innovation as a Career Opportunity,

Date : 7th November, 2023, Tuesday

Speaker : Mr. Basudeb Banerjee, Secretary all India Skill Development Organisations.

## □ Entrepreneurship Awareness Programme

A Seminar organized by Entrepreneurship Development Cell (EDC) in collaboration with Institute Innovation Council (IIC) for 2024 pass out batch.

Topic : Entrepreneurship Awareness Programme (EAP)

Date : 20th February, 2024, Tuesday.

Speakers :

Mr. Sudip Paul, Assistant Director, MSMEDFO, Kolkata, Govt. of India.

Mr. Basudeb Banerjee, Secretary, all India Skill Development Organisation

Mr. Somnath Mukherjee, Ex Banker, UCO Bank

Mr. Satyabrata Ghosh, Sales Manager, Axis Bank

Mr. Rathindranath Shee, DCI

Mr. Shasanka Dutta, DCI

## : Some of our Alumni Entrepreneurs :

Name of Entrepreneur: **Souvik Kundu**

Passed out in the year 2019

Name of the Company: **SRKP Technologies Pvt.Ltd.**

Nature of Business: Software Service and automation products and Ecommerce

Phone No: +91 72784 91931

Name of Entrepreneur: **Gourab Das**

Passed out in the year 2018

Name of The Company: **M.D Engineering & Surveys Pvt. Ltd**

Nature of Business: Design Consultant Civil & Survey

Phone No: +91 85368 98271

Name of Entrepreneur : **SK Ibrahim Ali**

Passed out in the year : 2021

Name of the Company : M/S ISE LABOUR CONTRACTOR

Nature of Business : Any type of Contract

Phone No: 8240185046

Name of Entrepreneur: **ANISUR KAZI**

Passed out in the year: 2022 (ME)

Name of the Company: **A.K. Enterprise**

Nature of Business: Online Cyber Cafe

Phone No: 8337018859

## : Some of our Alumni Entrepreneurs :

Name of Entrepreneur: **Debarthi Saha**  
 Passed out in the year 2015  
 Name of The Company: **Topstack**  
 Nature of Business: IT Consultant  
 Phone No: +91 89100 45833

Name of Entrepreneur: **Abhisek Koley**  
 Phone No: 8013791979

Name of the Company: **A.K.Metal**  
 Nature of Business: Manufacturing  
 (Various kind of ferrous & non ferrous Material)  
 Passed out in the year 2018

Name of Entrepreneur: **Prayas Nag**  
 Phone No: 9804945146  
 Name of the Company: **P.K.Nag, Engineers & Valuers**  
 Nature of Business: Valuation & Asset Appraisal  
 Passed out in the year 2016

Name of Entrepreneur : **Abhirup Khanra**  
 Passed out in the year : 2022

Name of the Company : **Ashirbad Builders and Hardware**  
 Nature of Business : Building and Hardware material Suppliers  
 Phone No: 8335086575

Name of Entrepreneur : **Snehasish Dey**  
 Passed out in the year : 2022  
 Name of the Company : **Shree Dhar Hardware**  
 Nature of Business : Proprietor  
 Phone No: 6289969607

Name of Entrepreneur : **Snehal Chandra**  
 Passed out in the year : 2022  
 Name of the Company : **Chandra Traders**  
 Nature of Business : Construction  
 Phone No: 9330139582

# Placement Procedure

## △ FORMAL INVITATION TO THE RECRUITERS

T&P Department approaches the companies nationwide requesting for campus recruitment drive

The Department maintains good relations and close contact with Human Resource managers of the companies

## △ CONFIRMATION FROM THE RECRUITERS

The recruiters confirms the date of Campus Drive to the Training & Placement Department, along with the Job Details, Salary Structure etc.

T&P Department submit the database of Eligible Students to the recruiters

## △ NOTIFICATION TO THE STUDENTS

The Training & Placement Department notifies the eligible students, about the details of Campus Recruitment Drive

Notices are put on NOTICE BOARDS, mailed to the students and posted in TPI Job Portal

## △ PRE PLACEMENT TALK (Online/Off Line)

On the date of Campus Drive, the recruiting company / T&P Department gives a Pre Placement Talk to the willing students, followed by an Interactive Session

## △ SELECTION PROCEDURE (Online/Off Line)

Aptitude Test, Group Discussion and Interviews are conducted by the recruiting companies. T&P Department has a furnished GD room, separate class rooms for Aptitude Test and Interview Cabins. Interviews via Skype/Video Conferencing are also arranged

## △ SELECTION RESULTS

The names of the Selected students are announced. The company send Offer Letter at the end of the selection.

The selected students are not allowed to participate for further campus recruitment drives

# Feedback

20

## ✓ FROM RECRUITERS

Dear Mr. Dhar

Greeting.

The students recruited 2 years back are doing well and we in fact are trying to put them into more meaningful and independent role now. The bench strength created 2 years back is supporting the organization in right manner and helping us plan our survey resources in more strategic manner. This was another reason that we realized that we don't have immediate requirement for inducting a new batch right away.

Nevertheless, as you have mentioned in your mail below, I reiterate that I am looking forward to visiting the campus depending upon the business hiring plan in next academic session.

Regards - Subhankar Datta

Head Human Resources- Infrastructure & South Asia Business

KEC International Limited (RPG Group)

Dear Mr. Dhar Saheb,

Greetings from IIC Technologies Ltd,

Thanks for giving this opportunity to share our feedback during campus placements drive at Technique Polytechnic Institute (TPI). It has been a good experience working with Technique Polytechnic Institute (TPI) in hiring Land Surveyors and GIS Engineers; we would like to thank the entire support team during various drives we conducted at your campus since May 2014. The experience always has been extremely professional and at the same time the hospitality was very friendly. Our production team is happy with the quality of the candidates that we have been able to get from TPI, however the stability of them at work need to be focused. We expect the Faculty members to be updated as per the technologies being practiced in various industries and the lab technicians may keep upgrading the equipment as per the trend in market. We are looking forward to continue working with TPI. Once again we thank the management committee of TPI to be associated with IIC Technologies.

Mohammed Yaseen Shaik

General Manager Human Resources

IIC Technologies, Limited

**✓ FROM INDUSTRIAL TRAINER**

Respected Mr. Dhar

I would like to communicate you that your students are very good & interactive one. It has helped us immensely to carry out the training plan within the shortest possible time as available. I must thank my colleagues in organizing the shop visit of 2 batches (35 students each) successfully. I think your students are benefited out of this industrial visit & interaction programme

Ashis Chowdhury

Deputy General Manager (Works)

Kalyani Unit, Andrew Yule & Company Limited

**✓ FROM STUDENT EMPLOYED OVERSEAS**

Sir,

We are glad enough to receive your mail. Yes, we both are fine and everything is good here. There is nothing to worry about. I apologize, due to work load I was unable to reply you at that moment. Food and water availability is beyond our expectation. Temperature is really high, today is 41 outside. and accommodation is also good and furnished.

Best wishes from Oman

With Sincere Regards,

Sauvik Chandra - Land Surveyor

Hasan Juma Backer Trading & Contracting Co.

Muscat, Oman

Our student at L&T Site

### ✓ FEEDBACK FROM STUDENT ON INTERNSHIP AT TATA CONSULTANCY SERVICES

“It was my pleasure to work as Intern in TCS for 1 month (arranged by TPI). During the internship I have learned operations, HR management, basic networking, cloud computing, drive download, mock drive for mock test, Live Digital assessment scenario, configuring the servers and file sharing for digital assessment. I have also gained insights on security system, MIS, project management, finance and reconciliation. Moreover, I have learnt to work professionally, sustain in corporate environment, smart working techniques. It has also improved my communication.

During the days, I have never felt that I am working as an Intern, rather as a part of TCS family.

Thanks to the Training & Placement Department for giving me such a lifetime opportunity.”

Regards,

Maharshii Banerjee Thakurta

3rd Year, Department of Computer Science & Technology, 2018 Passing Out Candidate

### ✓ FEEDBACK FROM STUDENT ON CAREER DEVELOPMENT TRAINING PROGRAMME

“ Respected Sir,

Before attending the CDTP classes, I did not know how to crack an Interview, how to represent myself or any type of presentation. When I attend the first class, I can't relate with my own thoughts. After two or three classes, my doubts were starting to get cleared.

Initially, I did not know, what is reasoning, aptitude test, but nowadays I can easily solve them. Today, I am confident enough to give a presentation and face any kind of interview. I have also brushed my communication skills, attitude, behaviour and dresscode.

Regards - Payel Bag

3rd Year, Department of Electronics & Telecommunication

### ✓ FEEDBACK FROM STUDENT RECRUITED BY TATA PROJECTS LTD. THROUGH CAMPUS DRIVE

“First of all, I thank to my college, for giving me the dream opportunity. Through the college campus drive, along with 18 friends from my college, I was selected by TATA PROJECTS LTD. Now, I am working in Urban Infra Division. I think myself lucky enough to work in one of the nation's most reputed company. I am doing here well and enjoying the life at its fullest.”

Arman Elahi

2017 Passed Out Batch, Department of Survey Engineering

# Industry Contributions: Empowering Institutional Development

## Gratitude to Effluent & Water Treatment Engineers Pvt. Ltd. for Supporting Laboratory Development

To  
The Director  
Effluent & Water Treatment Engineers Pvt. Ltd.  
P22, C.I.T. Road, 10th Floor  
Kolkata - 700014  
West Bengal, India

Subject: Acknowledgment of Your Generous Donation

Dear Sir/Madam,

On behalf of our organisation, we extend our heartfelt gratitude to Effluent & Water Treatment Engineers Pvt. Ltd. for your generous grant towards the development of our laboratory. Your support significantly enhances our ability to create an enriched learning environment for our students and strengthens our capacity to serve our community effectively.

Your contribution is a testament to your commitment to fostering education and development. We deeply value the trust you have placed in us and are inspired by your generosity to continue striving toward excellence in our endeavours.

Thank you once again for your impactful support.

With warm regards,  
Avijit Karmakar  
Principal

Memorandum of Understanding (MOU) signed between Technique Polytechnic Institute and M/S Effluent & Watertreatment Engineers Pvt. Ltd on 15th July 2024.

---

## **RELIANCE JIO SKILL DEVELOPMENT TRAINING PROGRAM**

Reliance Jio trained 94 Number of students in OPTIC FIBRE TECHNICAL SKILLS  
at our Institute Campus. This training was free of cost to our 2019 Pass out students.

We prepare our students as Industry Ready candidates...

## **Industry Ready** our Latest Laboratory Set-up **Renewable Energy** Power Plants Laboratory

Technique Polytechnic Institute of Hooghly, has taken initiative to create industry-ready candidates for Renewable Energy Sector. This year, the Institute has setup RENEWABLE ENERGY POWER PLANTS LABORATORY with an objective to train the students so that they may serve the industry from day one without any hassle of training by the recruiters.

List of Equipments installed at RENEWABLE ENERGY POWER PLANTS LABORATORY:

**1.Pyranometer:** to perform experiment to measure Solar Radiation using Pyranometer on tilted surface at different angles of inclination and plot radiation vs. Time characteristics for certain duration.

### OBJECTIVES

- To understand the idea of Solar Insolation
- To understand working of Pyranometer
- To handle Pyranometer to measure solar radiation
- To understand relation between output voltage of a pyranometer and solar radiation

**2.Experimental Setup:** to Perform experiment to plot I-V characteristics of photovoltaic cell module and find out the solar cell parameters (O.C. voltage, Short circuit current, Voltage-current-power at Maximum Power point, Fill factor, Efficiency).

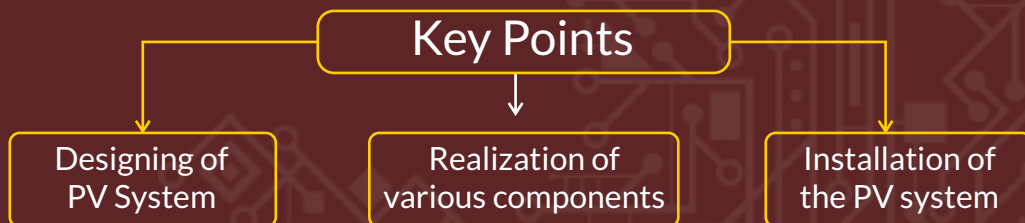

**OBJECTIVES**

- Identify solar cell type (Monocrystalline/Polycrystalline)
- Testing for Open circuit voltage
- Testing for Short circuit current
- Measure voltage & current at different combination of modules
- Plot I-V characteristics
- Locate maximum power point (MPP)
- Calculate Fill Factor
- Calculate efficiency

**3. Installation of solar PV plant to generate electricity:** 1 kW MPPT Solar Inverter and 12V, 200Ah Battery with 3 Nos. 335Wp Solar Panel,

**Rooftop PV module**

**Battery ,Solar inverter and load**

**OBJECTIVES**

- Load calculation
- Designing of PV System
- Cost estimation
- Realization of Solar PV panel rating
- Identification of various components
- Installation of the PV system

4. Working Model of Wind Power Plant: Here, students are getting knowledge how to generate electricity using wind power.

Horizontal Axis Wind Turbine
